Re: Five-Year Permit Renewal - Completeness Determination, Co-Op Mining Company,
Bear Canyon Mine, ACT/015/025-RN00, Outgoing File

Dear Mr. Owens:

The Division has determined that the permit renewal application for the Bear Canyon Mine is administratively complete, with the submittal of the current bond and evidence of liability insurance.

Publication of the public notice for permit renewal may proceed as required by R645-300-121. The publication should now proceed for four consecutive weeks. At the end of the 30-day comment period, findings for the renewal will be made and the permit renewed unless a factual basis for denial of the renewal is presented to and upheld by the Division.

If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
